SPEZIALUHREN ZU FRANKFURT AM MAIN

U1 B

THE DIVING WATCH MADE OF
GERMAN SUBMARINE STEEL WITH BLUE DIAL.

U1 B: solid stainless steel bracelet with an expandable folding safety clasp. ø 44 mm (Fig.: 1:1)

U1 B: blue silicone strap with an expandable folding safety clasp. ø 44 mm (Fig.: 1:1)

DNV GL verifies and certifies the pressure resistance of our **U1 B** to a diving depth of 1,000 m as well as temperature resistance and function based on EN250 and EN14143, the European standards for diving equipment.

Model U1 B

The Diving Watch made of German Submarine Steel with blue dial.

Blue electroplated dial

Case and crown made of high-strength seawater-resistant German Submarine Steel

Tested based on European diving equipment standards and certified by DNV GL

Pressure-resistant to 1,000 m diving depth (100 bar), certified by DNV GL

Captive diver's bezel with minute ratcheting

Bezel with TEGIMENT Technology and therefore especially scratch-resistant

Sapphire crystal glass

Resistant to low pressure

Striking lines, minimalistic displays and clear readability define the diving watches in the U1 series. A special feature of the U1 B is the blue electroplated dial.

The luminous white indices and hands provide a strong contrast to the blue dial, ensuring outstanding readability at all times. The distinctive colours of the U1 B are further emphasised by a blue silicone strap.

The case made of high-strength German Submarine Steel is extremely seawater-resistant and also possesses the highest level of non-magnetic properties. Hardened using TEGIMENT Technology and therefore especially scratch-resistant, the captive diver's bezel with minute ratcheting is virtually impossible to detach by being knocked off.

DNV GL verifies and certifies the pressure resistance of the U1 B to a diving depth of 1,000 metres and its temperature resistance and functionality in accordance with the European diving device standards. Users of the U1 B can thus be assured that they are wearing a precise and reliable diving watch on their wrist.
